

FRIENDS *of the* AMESBURY PUBLIC LIBRARY

FISCAL YEAR 2021-2022 IMPACT REPORT

OUR MISSION

The Friends of the Amesbury Public Library are a 501(c)(3) nonprofit organization that formed back in 1991. Our sole mission and goal is to support the Library, its staff, and its programming, and we've been going strong ever since. We help to promote the Library as a vital and thriving resource in our community, help fund some of the programming including genealogy programs, museum passes, speaker events, summer reading programs, technology and more!

FISCAL YEAR OVERVIEW

The Friends of the Amesbury Public Library had a busy year! In September 2021 we launched our e-commerce bookstore, www.TheStacksAmesbury.com. We also held more than a half dozen pop-up book sales and donation events to keep The Stacks active in the community. We held our 30th Anniversary event in October at Brewery Silvaticus and welcomed Mayor Gove who brought a proclamation to celebrate the occasion. Thank you all for 30 years for support, we're looking forward to the next 30!
